**New York Motor Vehicle Liability Insurance  
Motor Vehicle Law Enforcement Fee**

The New York State Insurance Department has issued Circular Letter No. 10, dated May 30, 2003, which outlines the changes to the *Motor Vehicle Law Enforcement Fee* as the result of recent legislative activity.

The amendment, effective June 1, 2003, requires every insurance company authorized to transact motor vehicle liability insurance to collect a fee of five dollars (\$5.00) for each insured vehicle. A copy of the full circular follows for your reference.

This fee will be implemented into the CoverAll system; for those offices not using the CoverAll processing system, the appropriate system changes should be made to comply with this updated regulation.
