**New Jersey PIP Selection Form
Revised Edition**

In accord with New Jersey statute, insurers are required to offer specific options regarding Personal Injury Protection (PIP). The AIG Legal Department has reviewed our current form in New Jersey, and has made some slight modifications to keep our form in compliance with state statute. It was determined that the definition of PIP under the New Jersey statute includes payment of medical expenses in an amount not to exceed \$250,000; therefore item "C. Additional Medical Expense Coverage with a limit of \$500,000" has been removed in its entirety from section 1. No other changes have been made to this form.

The revised form, number 67308, has been modified with a new edition date of "08/03". Attached is a copy for your reference, and the new form has been posted in the PIP Manual at the *AIG Programs* web-site (www.lexingtoninsurance.com).
