**Florida Personal Injury Protection
Revised Coverage Selection Form**

The state of Florida has recently amended their personal injury protection statutes. As a result of these changes, carriers are no longer permitted to offer a \$2,000 deductible for Personal Injury Protection (PIP); the maximum allowable deductible is now \$1,000. This revision applies to all new and renewal business effective on or after October 1, 2003. For your renewal business which may be affected by this change, we have prepared a policyholder notice to explain these changes to your insureds.

The revised form, number 67320, carries a revised edition date of 09/03. Attached is a copy of the revised form and the policyholder notice for your reference, and the new form has been posted in the PIP Manual at the *AIG Programs* web-site (www.lexingtoninsurance.com).

We appreciate your cooperation. If you have any questions regarding this notice, please contact your Program Manager.
