“Important Notice Regarding Fire Protection”

Did you know that the firefighting ability of your Fire Department helps lower your insurance rates? It's true! The better your firefighters are equipped and trained, the better their access to water for fighting fires and the shorter the length of time it takes for them to arrive at a fire. These are a few of the many factors that have an impact on your property insurance rates. Help your firefighters help you! They need your support, financial, and otherwise. Adequate funding is important to improving the protection that may translate to lower premiums!
