May 18, 2004

**Updated AIG Programs Website**

**[www.lexingtoninsurance.com](http://www.lexingtoninsurance.com)**

The Lexington Insurance website was recently redesigned and has received several enhancements; we encourage you to visit our site if you have not recently done so. In addition to a new look consistent with the Lexington branding, new menu items have been added and some existing selections have been updated.

As a reminder to all our program administrators, the 'AIG Programs' section of this website contains many useful tools and resources to help you with your business placed with us. Additionally, the Underwriting and Loss Control menus of the AIG Programs section contains important resources exclusively for the use of our administrators and require an ID and password for access; if you or anyone on your staff would like access and do not yet have an ID, please follow these few simple steps:

- Click on the link at the top of the window to "Request a Password";
- Complete the information as prompted in the next window – your e-mail address will become your user ID;
- Upon receipt of your confirmation e-mail, please forward that confirmation to [stephen.raymond@aig.com](mailto:stephen.raymond@aig.com) in order to get access to our Underwriting and Loss Control sections.

If you have any questions regarding content or access to the website, please contact your Program Manager.
