**SCHEDULE OF POLICYHOLDER NOTICES FORM 84219 (3/04)  
APPLICABLE TO ALL COMMERCIAL AUTO OR GENERAL  
LIABILITY POLICIES**

Quite a few informational notices are included with each Commercial Auto and General Liability policy mailing. The notices are required by individual states and typically inform policyholders of their rights or obligations. These notices do not alter policy language.

Because of the potentially large number of notices mailed with each policy, we have decided to schedule the notices on a form that will be placed in front of the Declarations Page of a Commercial Auto or General Liability policy. All state notices pertinent to coverage will be attached to the form regardless of the states where insureds operate.

If you have any questions regarding this notice, please contact your Program Manager.
