Automobile Identification Cards

Cover-All is currently programming all Automobile Identification Cards to add the NAIC Company Code next to the Company Name. However, since this change may take time to process we suggest that as a temporary measure all ID cards currently processed through Cover-All be manually edited by the Program Administrators to add this company code.

Attached is a list of all AIG companies and their NAIC codes for your use. If you have any further questions regarding this notice, please contact your Program Manager.
