**Important Information regarding Excess Casualty  
policies in Alaska  
EFFECTIVE IMMEDIATELY**

In the past, Alaska required that UM/UIM be offered on umbrella/excess policies for admitted business. Recently the Alaska legislature changed their definition of 'automobile liability insurance' to no longer include coverage provided on an excess or umbrella basis. Our position has been NOT to offer UM/UIM coverage on our umbrella excess policies unless required by a particular state.

On new business domiciled in the state of Alaska, we will no longer offer UM/UIM coverage in our umbrella/excess policies. On renewal policies effective December 1, 2004, we will remove any UM/UIM coverage upon renewal. We should NOT be including the Automobile Follow Form endorsement 60446 on any policies after December 1, 2004.
