**2004 General Liability Multistate Forms Revision Advisory
Notice To Policyholders**

Dear Program Administrators:

ISO has revised the **Commercial General Liability (CGL) Coverage Forms** (including associated endorsements). The insurance companies of the Domestic Brokerage Group of American International Group, Inc. have filed to adopt these revisions for use on policies as of June 1, 2005.

Attached to this letter is a copy of ISO's **2004 GENERAL LIABILITY MULTISTATE FORMS REVISION ADVISORY NOTICE TO POLICYHOLDERS** for General Liability. Please take note of these revisions so that you may perform the review and analysis necessary to advise your clients and policyholders of the effect the revisions may have on their insurance program.

The attachment is a summary of the ISO revisions, and should be included with all renewal quotes in the coming year. The ISO advisory notice focuses on changes to the policy form. Revisions to endorsements, while not discussed in depth, are parallel changes to the coverage forms and are mostly clarifications.

This letter is not intended to provide a thorough, in-depth analysis of the policy and endorsement changes. References available to provide further detail regarding the changes include the **International Risk Management Institute, Inc. (IRMI)** manuals, as well as the **National Underwriter Company FC&S Bulletins**.

ALL OF THE FORMS LISTED MAY NOT BE AVAILABLE FOR YOUR PROGRAMS! CHECK WITH YOUR PROGRAM MANAGER.
