Attached is an updated 09-06 version of our Commercial Automobile Notice – Multiple Coverage Forms, form number 79408. It has been updated to remove the reference to Texas from the notice as we will be adopting the ISO Commercial Auto Texas portfolio on 9-01-2006. This form should be manually attached to any policies with multiple state locations that include Massachusetts.

If you have any questions regarding the notice, or these procedures, please contact your Program Manager.

### **Commercial Automobile Notice - Multiple Coverage Forms**

If you have purchased coverage for autos garaged in more than one state, you may find that the attached packet includes more than one policy. In addition, you may find more than one coverage form within one policy. This is due to policy issuance systems requirements and because one coverage form has not been approved for use in all states. Please see below for the coverage forms that apply in each state, and whether all coverage forms are provided under one policy.

#### **Business Auto coverage is provided under CA 00 01 03 06 in most states, under one policy, except as follows:**

Massachusetts coverage is provided under CA 00 01 10 01 as a stand-alone policy

#### **Garage coverage is provided under CA 00 05 03 06 in most states, under one policy, except as follows:**

Massachusetts coverage is provided under CA 00 05 09 02 as a stand-alone policy

#### **Truckers coverage is provided under CA 00 12 03 06 in most states, under one policy, except as follows:**

Massachusetts coverage is provided under CA 00 12 10 01 as a stand-alone policy
