**Company Specific Cancellation Notices**

In a recent review of our Cancellation/Non-Renewal forms we noted that not all the current forms had been provided to you.

Attached is a forms list and Zip file containing all of the most current AIG filed and approved Cancellation/Nonrenewal Endorsements that need to attach to all admitted policies and lines of business. These forms should attach in lieu of ISO versions.

Cover-All will be programming these forms to attach automatically instead of the ISO forms that attach today. For those of you with proprietary systems, please have these forms programmed accordingly. You may already have some of these forms in your system as not all of the forms have changed.

As newer versions of these forms are filed and approved on a state by state basis they will be forwarded to you.

Should you have any questions concerning this please contact your Program Manager.
