Texas Notice

It has come to our attention that we have not provided our Program Administrators the appropriate Texas Notice that will need to be attached to every admitted Texas policy. These notices are in both English and Spanish and give contact information for complaint handling.

Please note that until the forms are programmed either in Cover-All or your own proprietary system they must be attached manually.

There is a specific notice for each company.

If you have any questions, please direct them to your Program Manager.
