## Fungus Exclusion Endorsement

In bulletin 2007-22 we had updated you on several changes that had taken place with the endorsements being used.

Again, there has been one last change. The ISO endorsement will be CG 21 67 (12-04). This is a new edition date.

The other change is Massachusetts. You should continue to use AIG endorsement 79379 (04/02) as you have done in the past.

If you have any questions, please contact your Program Manager.
