Invitation to Comment on Quality of Service from the Division of Financial Regulation

We strive to provide excellent customer service at all times and invite you to provide written comment regarding your filing experience.

Instructions for submitting a filing are on our website at <http://www.oregon.gov/DCBS/insurance/insurers/rates-forms/Pages/rates-forms.aspx> or contained within SERFF under the Filing Rules tab. Filings that contain errors may be returned without having been accepted for review. Filing errors that are considered include: form numbers that do not match, forms attached under the wrong tab, or missing required documents. If we allow the company to correct a filing error it must be corrected within 24 hours or the filing will be rejected for "no response".

If we contact you about compliance-related issues or corrections that need to be made to your filing, we must receive your complete response within 10 calendar days.

Any disapproval for reasons other than filing errors must be supported by our product standards. If you believe we have failed to meet our performance objectives or you believe we have provided outstanding performance, please let us know. We value your comments and will use this information to improve our service.

You may request that your comments be kept confidential; however, be aware that confidential feedback limits our ability to follow up, as your concerns cannot be shared with staff. If you are not requesting confidentially, please include the SERFF or state tracking number with your comments.

Please explain if the Division met its objective. Was your experience positive?
