**Comments:**

Property and Casualty lines of insurance are considered competitive, and therefore, rates are exempt from prior approval and filing requirements according to W.S. 26-14-102 (b) and W.S. 26-14-107. As such, this information is being filed without review.

However, W.S. 26-14-107 (a) does require every insurer in a competitive market to maintain all rates and supplementary rate information to be used in the State. This information shall be made available to the commissioner upon his request.

Please be advised that medical professional liability insurance for physicians, surgeons and hospitals has been determined to be non-competitive lines of insurance. Rates for noncompetitive lines must be filed and receive approval prior to use in Wyoming.
