## GENERAL LIABILITY BASIC LIMIT EXPERIENCE FOR 2019 GROUP 2 JURISDICTIONS ISO ACTION INFORMATION UPDATED

---

### KEY MESSAGE

We are updating the 2019 Group 2 dates referenced in the ISO Action block of General Liability Preliminary Indications Circular LI-GL-2019-059.

---

### BACKGROUND

In referenced circular [LI-GL-2019-059](#), we provided the summary of review indications and staff decisions on the General Liability basic limit loss cost level experience reviews for the 2019 Group 2 jurisdictions. Subsequent to releasing the circular, it came to our attention that the Group 2 dates referenced did not reflect information previously provided in the Chief Executive Circular [CE-AA-2018-013](#). We are providing the updated ISO Action information below.

---

### ISO ACTION

We are providing a summary of review indications and staff decisions on Premises and Operations (Manufacturers and Contractors; and Owners, Landlords, and Tenants) and Products/Completed Operations \$100,000/200,000 basic limit loss cost level experience for the jurisdictions listed in the Jurisdictions block. Refer to the attachments for this information.

Premises and Operations experience is for the five year period ending accident year 3/31/2018, evaluated as of 6/30/2018. Multistate Products/Completed Operations experience is for the five year period ending accident year 12/31/2017, evaluated as of 3/31/2018.

We will file the review indications for all states and sublines, except for the following cases where we will file these selected percentage changes:

- Alabama – Owners, Landlords and Tenants: +10.0%.
