BACKGROUND

- [LI-GL-2018-136](#), we announced the submission of rules filing GL-2018-RRU18, which revised multistate rules in Division Six – General Liability of the Commercial Lines Manual to reflect, in part, changes made in companion forms filing GL-2018-OFR18.
- [LI-GL-2018-137](#), we announced the submission of loss costs filing GL-2018-RLC18, which introduced advisory prospective loss costs and associated rating factors for the optional Unmanned Aircraft Endorsements written under the ISO General Liability policy.

In subsequent circulars, which are listed in the attached multistate status report, we provided state supplements to the multistate forms and rules filings for certain jurisdictions, where appropriate.

INSURANCE DEPARTMENT ACTION

We have received all necessary approvals or acknowledgements, as required by state laws and regulations, from the insurance departments in the jurisdictions listed in the Jurisdictions block.

Note: The announcement of implementation in a particular jurisdiction includes the implementation of the multistate filings and any state supplement and/or amendment filing.

SPECIAL NOTE – PENNSYLVANIA LOSS COSTS FILING GL-2018-RLC18

Although General Liability loss costs revisions typically are subject to prior approval in Pennsylvania, the Pennsylvania Insurance Department issued a 'deregulated' final disposition with respect to loss costs filing GL-2018-RLC18.

This exemption can be found in the Property and Casualty Filing Reform Act (refer to 40 P.S. § 710-4(b)(3)), the Casualty and Surety Rate Regulatory Act (refer to 40 P.S. § 1182(c)) and the Fire, Marine and Inland Marine Rate Regulatory Act (refer to 40 P.S. § 1222(c))."

DATA QUALITY

Statistical plan data reported to ISO is first processed through a system of rigorous automated data verification procedures so that only valid data would be used for ratemaking. Subsequent to this initial data submission review, additional analyses on the statistical plan data involving an even more customized data review for this line was performed by staff. During these processes, various data records were excluded from the review. The ISO staff responsible for this circular also reviewed the data for reasonableness.

IMPORTANT NOTICE FOR USERS OF ISO PRODUCTS AND SERVICES

Please make sure that your company has authorized your use of this product and has complied with the requirements applicable in the jurisdiction where you plan to use it.

We distribute both state-specific and multi-state products and services. We do not distribute all the multi-state products and services for use in every jurisdiction due to corporate policy, regulatory preference, or variations or lack of clarity in state laws.

We provide participating insurers with information concerning the jurisdictions for which our products and services are distributed. Even in those jurisdictions, each insurer must determine what filing requirements, if any, apply and whether those requirements have been satisfied.

Now, as in the past, all of our products and services are advisory, and are made available for optional use by participating insurers as a matter of individual choice. Your company must decide for itself which, if any, ISO products or services are needed or useful to its operation and how those selected for use should be applied. We urge that you be guided by the advice of your attorneys on the legal requirements.

Dear Mr. Pawlowski:

Pursuant to Section 1855.1 et. seq. of the California Insurance Code ("CIC") and Section 2195.1 et. seq. of Subchapter 1.5, Title 10, Chapter 5 of the California Code of Regulations ("CCR"), INSURANCE SERVICES OFFICE, INC. submitted for approval the above-referenced filing(s) to the Department of Insurance.

You are advised that the Department has completed its consideration and review of the filing(s) pursuant to the above cited statutory provisions and has found that the form(s) does not appear to contemplate activities and practices that are unfair, unreasonable, or otherwise inconsistent with the provisions of the Insurance Code. Accordingly, the form(s) submitted in the captioned filing(s) is approved for use as of the above date by INSURANCE SERVICES OFFICE, INC. insurers participating for California forms service. This approval is subject to revocation for good cause as set forth in CIC Section 1855.5 and CRC Section 2195.1 et. seq.

What is being approved is the use of the submitted form(s) by those specified INSURANCE SERVICES OFFICE, INC. insurers. The effect of this administrative action is to approve the use of this form(s) by those insurers. This action is permissive only and does not constitute a recommendation or endorsement of any form(s) approved hereby. This action of approval shall not in any way limit any civil action under the laws of this state between an insurer or agent and a policyholder, insured or claimant that may exist in relation to this form(s) or the terms thereof.

The Department anticipates that the above-referenced form(s) may have a significant impact on insurer losses. Accordingly, while participating insurers may use the form(s) as of this date, those insurers using them must submit to the Department the estimated rate impact associated with its use. The required submission must be made on a Prior Approval Rate Filing Application and page 12, Forms, must be attached and completed. The rate impact includes, but is not limited to, a change in the rates or coverage changes (increase or decrease) which call for a corresponding offset to the rates.

If any portion of the application or related documentation conflicts with California law, that portion is specifically not approved. This approval does not constitute an approval of underwriting guidelines nor the specific language, coverages, terms, covenants and conditions contained in any forms, or of the forms themselves. Policy forms and underwriting guidelines included in this filing were reviewed only insofar as they relate to rates contained in this filing or currently on file with the California Department of Insurance. Any subsequent changes to underwriting guidelines or coverages, terms, covenants and conditions contained in any forms must be submitted with supporting documentation when those changes result in any rating impact. The Commissioner may at any time take any action allowed by law if he determines that any underwriting guidelines, forms or procedures for application of rates, or any other portions of the application conflict with any applicable laws or regulations.

This letter will be a matter of public records, and may be distributed by INSURANCE SERVICES OFFICE, INC. to its participating insurers.

Sincerely,

A handwritten signature in black ink that reads "Jerome Tu". The signature is written in a cursive style with a horizontal line above the "T".
