Commercial General Liability

Missouri

COMPANY EXCEPTION PAGE

To calculate General Liability rates by company, multiply loss costs by the appropriate factor as listed below:

|                       | LOSS COST<br>MULTIPLIERS |                 |
|-----------------------|--------------------------|-----------------|
|                       | <u>Premises</u>          | <u>Products</u> |
| AIU Insurance Company | 1.583                    | 1.575           |
