Dear Ms. Smith:

Pursuant to Section 1855.1 et. seq. of the California Insurance Code ("CIC") and Section 2195.1 et. seq. of Subchapter 1.5, Title 10, Chapter 5 of the California Code of Regulations ("CCR"), INSURANCE

SERVICES OFFICE, INC. submitted for approval the above-referenced filing(s) to the Department of Insurance.

You are advised that the Department has completed its consideration and review of the filing(s) pursuant to the above cited statutory provisions and has found that the form(s) does not appear to contemplate activities and practices that are unfair, unreasonable, or otherwise inconsistent with the provisions of the Insurance Code. Accordingly, the form(s) submitted in the captioned filing(s) is approved for use as of the above date by INSURANCE SERVICES OFFICE, INC. insurers participating for California forms service. This approval is subject to revocation for good cause as set forth in CIC Section 1855.5 and CRC Section 2195.1 et. seq.

What is being approved is the use of the submitted form(s) by those specified INSURANCE SERVICES OFFICE, INC. insurers. The effect of this administrative action is to approve the use of this form(s) by those insurers. This action is permissive only and does not constitute a recommendation or endorsement of any form(s) approved hereby. This action of approval shall not in any way limit any civil action under the laws of this state between an insurer or agent and a policyholder, insured or claimant that may exist in relation to this form(s) or the terms thereof.

The Department anticipates that the above-referenced form(s) may have a significant impact on insurer losses. Accordingly, while participating insurers may use the form(s) as of this date, those insurers using them must submit to the Department the estimated rate impact associated with its use. The required submission must be made on a Prior Approval Rate Filing Application and page 12, Forms, must be attached and completed. The rate impact includes, but is not limited to, a change in the rates or coverage changes (increase or decrease) which call for a corresponding offset to the rates.

If any portion of the application or related documentation conflicts with California law, that portion is specifically not approved. This approval does not constitute an approval of underwriting guidelines nor the specific language, coverages, terms, covenants and conditions contained in any forms, or of the forms themselves. Policy forms and underwriting guidelines included in this filing were reviewed only insofar as they relate to rates contained in this filing or currently on file with the California Department of Insurance. Any subsequent changes to underwriting guidelines or coverages, terms, covenants and conditions contained in any forms must be submitted with supporting documentation when those changes result in any rating impact. The Commissioner may at any time take any action allowed by law if he determines that any underwriting guidelines, forms or procedures for application of rates, or any other portions of the application conflict with any applicable laws or regulations.

This letter will be a matter of public records, and may be distributed by INSURANCE SERVICES OFFICE, INC. to its participating insurers.

Sincerely,

Jerome Tu
