Filed

**Comments:**

Please note the following for loss cost filings:

A Loss Cost filing is required if the filing is the initial filing to place a loss cost multiplier on file or if the filing is changing a loss cost multiplier that is on file. Also, a Loss Cost filing is required if the filing is adopting a rating/advisory organization loss cost filing.

A Loss Cost filing requires a properly completed Form A. A Form B must be submitted if the company is adopting a rating/advisory organization filing(s). A Form C is required if it is the initial filing of a loss cost multiplier or if the company is changing a loss cost multiplier. A Form D is required if the company uses an expense constant. Note that if any rating/advisory organization filings are being adopted, these must be listed on the Form A and Form B.

It is the responsibility of insurers to submit complete, true, and accurate filings that comply with Colorado laws and regulations. To do otherwise may be a violation of § 10-3-1104(1)(b)(III), § 10-3-1104(1)(f)(II), and § 10-4-403 C.R.S., Colorado Regulation 5-1-10, and any other statutes and/or regulations as applicable. Filing reviews may not have discovered all unacceptable or non-complying information/documentation or practices. There may be unacceptable or non-complying information/documentation or practices that were not identified in this or other filings but this does not constitute validation of any such information/documentation or practices. Furthermore, the Division through the Consumer Services Section, Market Regulation Section, another Section, or otherwise may find other or additional unacceptable or non-compliant information/documentation or practices.
