Filing ID: CL-2020-OCAN1

Distribution Date: 7/2020

Applicable Lines: AG, BP, CA, CF, CM, CR, EB, EP, FC, FR, GL, OP, PR

BACKGROUND

In circular [LI-CL-2020-015](#), we announced forms filing CL-2020-OCAN1 has been filed, which revised AG 01 05, BP 01 55, FC 01 04, IL 01 04, IL 02 70 and OP 01 04 in response to CAL. INS. CODE § 678, as amended by former Cal. A.B. 1816, and following discussions with the California Department of Insurance.

INSURANCE DEPARTMENT ACTION

The California Department of Insurance has approved this revision as filed.

EFFECTIVE DATE

We do not establish an effective date for forms revisions in this state. Each insurer that elects to utilize this revision is responsible for determining its own effective date.

COMPANY ACTION

The Department anticipates that [BP 01 55 07 20](#), [IL 02 70 07 20](#), [IL 01 04 07 20](#), [OP 01 04 07 20](#), [AG 01 05 07 20](#), and [FC 01 04 07 20](#) may have a significant impact on insurer losses. The Department's letter(s) of approval is/are attached.

Accordingly, participating insurers may use the policy forms and endorsements listed in the preceding paragraph as of **June 10, 2020**, but are required to submit the estimated rate impact associated with their use.

In any correspondence with the Department relating to any of these forms and endorsements, you should refer to both the ISO form or endorsement number and the CDI file number(s) listed in the attached Exhibit(s). Communications with the regulator concerning a filing affecting multiple lines of business (i.e., CL, PL, AL filing designation) should specify the line(s) of business that you are addressing.

IMPORTANT NOTE

Please note that the Department requires insurers to submit only rate impact information. While the Department has advised that it is NOT requiring insurers to seek further approval of insurer use of these forms and endorsements, those insurers that decide to use them must submit to the Department the estimated rate impact associated with their use. In its approval letter, the Department states that the rate impact includes, but is not limited to, a change in the rates or coverage changes (increase or decrease) which call for corresponding offset to the rates.

Dear Ms. Smith:

Pursuant to Section 1855.1 et. seq. of the California Insurance Code ("CIC") and Section 2195.1 et. seq. of Subchapter 1.5, Title 10, Chapter 5 of the California Code of Regulations ("CCR"), INSURANCE SERVICES OFFICE, INC. submitted for approval the above-referenced filing(s) to the Department of Insurance.

You are advised that the Department has completed its consideration and review of the filing(s) pursuant to the above cited statutory provisions and has found that the form(s) does not appear to contemplate activities and practices that are unfair, unreasonable, or otherwise inconsistent with the provisions of the Insurance Code. Accordingly, the form(s) submitted in the captioned filing(s) is approved for use as of the above date by INSURANCE SERVICES OFFICE, INC. insurers participating for California forms service. This approval is subject to revocation for good cause as set forth in CIC Section 1855.5 and CRC Section 2195.1 et. seq.

What is being approved is the use of the submitted form(s) by those specified INSURANCE SERVICES OFFICE, INC. insurers. The effect of this administrative action is to approve the use of this form(s) by those insurers. This action is permissive only and does not constitute a recommendation or endorsement of any form(s) approved hereby. This action of approval shall not in any way limit any civil action under the laws of this state between an insurer or agent and a policyholder, insured or claimant that may exist in relation to this form(s) or the terms thereof.

The Department anticipates that the above-referenced form(s) may have a significant impact on insurer losses. Accordingly, while participating insurers may use the form(s) as of this date, those insurers using them must submit to the Department the estimated rate impact associated with its use. The required submission must be made on a Prior Approval Rate Filing Application and page 12, Forms, must be attached and completed. The rate impact includes, but is not limited to, a change in the rates or coverage changes (increase or decrease) which call for a corresponding offset to the rates.

If any portion of the application or related documentation conflicts with California law, that portion is

specifically not approved. This approval does not constitute an approval of underwriting guidelines nor the specific language, coverages, terms, covenants and conditions contained in any forms, or of the forms themselves. Policy forms and underwriting guidelines included in this filing were reviewed only insofar as they relate to rates contained in this filing or currently on file with the California Department of Insurance. Any subsequent changes to underwriting guidelines or coverages, terms, covenants and conditions contained in any forms must be submitted with supporting documentation when those changes result in any rating impact. The Commissioner may at any time take any action allowed by law if he determines that any underwriting guidelines, forms or procedures for application of rates, or any other portions of the application conflict with any applicable laws or regulations.

This letter will be a matter of public records, and may be distributed by INSURANCE SERVICES OFFICE, INC. to its participating insurers.

SUBJECT: Approval of Advisory Organization Filing(s): CL-2020-OCAN1(EP)
Line of Insurance: Commercial Other Liability
Program: Employment-Related Practices Liability

CDI File No. Form or Endorsement No.

Dear Ms. Smith:

Pursuant to Section 1855.1 et. seq. of the California Insurance Code ("CIC") and Section 2195.1 et. seq. of Subchapter 1.5, Title 10, Chapter 5 of the California Code of Regulations ("CCR"), INSURANCE SERVICES OFFICE, INC. submitted for approval the above-referenced filing(s) to the Department of Insurance.

You are advised that the Department has completed its consideration and review of the filing(s) pursuant to the above cited statutory provisions and has found that the form(s) does not appear to contemplate activities and practices that are unfair, unreasonable, or otherwise inconsistent with the provisions of the Insurance Code. Accordingly, the form(s) submitted in the captioned filing(s) is approved for use as of the above date by INSURANCE SERVICES OFFICE, INC. insurers participating for California forms service. This approval is subject to revocation for good cause as set forth in CIC Section 1855.5 and CRC Section 2195.1 et. seq.

What is being approved is the use of the submitted form(s) by those specified INSURANCE SERVICES OFFICE, INC. insurers. The effect of this administrative action is to approve the use of this form(s) by those insurers. This action is permissive only and does not constitute a recommendation or endorsement of any form(s) approved hereby. This action of approval shall not in any way limit any civil action under the laws of this state between an insurer or agent and a policyholder, insured or claimant that may exist in relation to this form(s) or the terms thereof.

The Department anticipates that the above-referenced form(s) may have a significant impact on insurer losses. Accordingly, while participating insurers may use the form(s) as of this date, those insurers using them must submit to the Department the estimated rate impact associated with its use. The required submission must be made on a Prior Approval Rate Filing Application and page 12, Forms, must be attached and completed. The rate impact includes, but is not limited to, a change in the rates or coverage changes (increase or decrease) which call for a corresponding offset to the rates.

If any portion of the application or related documentation conflicts with California law, that portion is

specifically not approved. This approval does not constitute an approval of underwriting guidelines nor the specific language, coverages, terms, covenants and conditions contained in any forms, or of the forms themselves. Policy forms and underwriting guidelines included in this filing were reviewed only insofar as they relate to rates contained in this filing or currently on file with the California Department of Insurance. Any subsequent changes to underwriting guidelines or coverages, terms, covenants and conditions contained in any forms must be submitted with supporting documentation when those changes result in any rating impact. The Commissioner may at any time take any action allowed by law if he determines that any underwriting guidelines, forms or procedures for application of rates, or any other portions of the application conflict with any applicable laws or regulations.

This letter will be a matter of public records, and may be distributed by INSURANCE SERVICES OFFICE, INC. to its participating insurers.

Sincerely,

CALIFORNIA CHANGES

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM INFORMATION SECURITY PROTECTION ENDORSEMENT

A. Section I – Property is amended as follows:

1. With respect to an "open policy", the following is added to any provision which uses the term actual cash value:
 - a. In the event of a partial or total loss to a building or structure, actual cash value is calculated as **a.(1)** or **a.(2)**, whichever is less:
 - (1) The amount it would cost to repair, rebuild or replace the property less a fair and reasonable deduction for physical depreciation of the components of the building or structure that are normally subject to repair or replacement during its useful life. Physical depreciation is based upon the condition of the property at the time of loss; or
 - (2) The Limit of Insurance applicable to the property.
 - b. In the event of a partial or total loss to Covered Property other than a building or structure, actual cash value is calculated as **b.(1)** or **b.(2)**, whichever is less:
 - (1) The amount it would cost to repair or replace the property less a fair and reasonable deduction for physical depreciation, based on the condition of the property at the time of loss; or
 - (2) The Limit of Insurance applicable to the property.
 - c. An "open policy" is a policy under which the value of Covered Property is not fixed at policy inception, but is determined at the time of loss in accordance with policy provisions on valuation.

2. Paragraph E.2. Appraisal Property Loss Conditions is replaced by the following:

2. Appraisal

If we and you disagree on the value of the property or the actual cash value or the amount of loss, either may make written request for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. However, in the event of a government-declared disaster, as defined in the Government Code, appraisal may be requested by either you or us but shall not be compelled. Each party shall notify the other of the appraiser selected within 20 days of the request. The two appraisers will select an umpire. If they cannot agree within 15 days, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and actual cash value and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss and will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Paragraph E.5.d.(1)(c) of the Loss Payment Property Loss Conditions is deleted.

4. Paragraphs **E.5.d.(1)(d)** and **E.5.d.(5)** of the **Loss Payment** Property Loss Conditions are replaced as follows:

(d) We will not pay on a replacement cost basis for any loss or damage until the lost or damaged property is actually repaired or replaced. Prior to such repair or replacement, we will pay the actual cash value of the lost or damaged property as described in Paragraph **A.1.** of this Endorsement. If the actual cash value does not exhaust the applicable Limit of Insurance, we will then pay the difference between the actual cash value and the replacement cost, provided that the repair or replacement is completed:

(i) Within 12 months after we pay the actual cash value; or

(ii) Within 36 months after we pay the actual cash value if the loss or damage relates to a state of emergency under California Law.

The following provision applies to real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit:

If you, acting in good faith and with reasonable diligence, encounter a delay or delays in approval for, or reconstruction of, the residence that are beyond your control, we shall provide one or more additional extensions of six months for good cause. Circumstances beyond your control include, but are not limited to:

(i) Unavoidable construction permit delays;

(ii) The lack of necessary construction materials; or

(iii) The unavailability of contractors to perform the necessary work.

Nothing in this Paragraph (d) constitutes a waiver of our right to deny the claim for any valid reason or to restrict payment in cases of suspected fraud.

(5) Tenants' improvements and betterments at:

(a) Replacement cost in accordance with the terms set forth in Paragraph (d) above.

(b) A proportion of your original cost if the property is not repaired or replaced. We will determine the proportionate value as follows:

(i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and

(ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(c) Nothing if others pay for repairs or replacement.

B. Section III – Common Policy Conditions is amended as follows:

1. Paragraphs **A.2.** and **A.3. Cancellation** are replaced by the following:

2. All Policies In Effect For 60 Days Or Less

If this Policy has been in effect for 60 days or less, and is not a renewal of a policy we have previously issued, we may cancel this Policy by mailing or delivering to the first Named Insured at the mailing address shown in the Policy and to the producer of record, advance written notice of cancellation, stating the reason for cancellation, at least:

a. 10 days before the effective date of cancellation if we cancel for:

(1) Nonpayment of premium; or

(2) Discovery of fraud by:

(a) Any insured or his or her representative in obtaining this insurance; or

(b) You or your representative in pursuing a claim under this Policy.

- b. 30 days before the effective date of cancellation if we cancel for any other reason.

3. All Policies In Effect For More Than 60 Days

- a. If this Policy has been in effect for more than 60 days, or is a renewal of a policy we issued, we may cancel this Policy only upon the occurrence, after the effective date of the Policy, of one or more of the following:
 - (1) Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.
 - (2) Discovery of fraud or material misrepresentation by:
 - (a) Any insured or his or her representative in obtaining this insurance; or
 - (b) You or your representative in pursuing a claim under this Policy.
 - (3) A judgment by a court or an administrative tribunal that you have violated a California or federal law, having as one of its necessary elements an act which materially increases any of the risks insured against.
 - (4) Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.
 - (5) Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.
 - (6) A determination by the Commissioner of Insurance that the:
 - (a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or

- (b) Continuation of the policy coverage would:

- (ii) Threaten our solvency.

- (7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the Policy.

- b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the Policy, and to the producer of record, at least:

- (2) 30 days before the effective date of cancellation if we cancel for any other reason listed in Paragraph 3.a.

- 2. The following provision is added to Paragraph A. Cancellation:

7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit. If such coverage has been in effect for 60 days or less and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except that we may not cancel this Policy solely because:

- a. Corrosive soil conditions exist on the premises; or

- b. The first Named Insured has:

- (1) Accepted an offer of earthquake coverage; or

- (2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this Policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not cancel this Policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred. However, we may cancel:

- a. When you have not paid the premium, at any time by letting you know at least 10 days before the date cancellation takes effect;
- b. If willful or grossly negligent acts or omissions by the named insured, or his or her representatives, are discovered that materially increase any of the risks insured against; or
- c. If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

3. Paragraph **C. Concealment, Misrepresentation Or Fraud** is replaced by the following with respect to loss or damage caused by fire:

We do not provide coverage to the insured who, whether before or after a loss, has committed fraud or intentionally concealed or misrepresented any material fact or circumstance concerning:

- a. This Policy;
- b. The Covered Property;
- c. That insured's interest in the Covered Property; or
- d. A claim under this Policy.

4. Paragraph **C. Concealment, Misrepresentation Or Fraud** is replaced by the following with respect to loss or damage caused by a Covered Cause of Loss other than fire:

This Policy is void if any insured, whether before or after a loss, has committed fraud or intentionally concealed or misrepresented any material fact or circumstance concerning:

- a. This Policy;
- b. The Covered Property;
- c. An insured's interest in the Covered Property; or
- d. A claim under this Policy.

5. Paragraph **H.1. Other Insurance** is replaced by the following (with respect to coverage provided under Section I – Property):

If there is other insurance covering the same loss or damage, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance bears to the Limits of Insurance of all insurance covering on the same basis.

We will not pay more than the applicable Limit of Insurance of Section I – Property.

6. The following paragraph is added and supersedes any provisions to the contrary:

M. Nonrenewal

1. Subject to the provisions of Paragraphs 2. and 3. below, if we elect not to renew this Policy, we will mail or deliver written notice stating the reason for nonrenewal to the first Named Insured shown in the Declarations and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the Policy.

2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit.

If this Policy provides coverage as described in the preceding paragraph, and we elect not to renew this Policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at the mailing address shown in the Policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date.

If we fail to give the first Named Insured shown in the Declarations notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this Policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the named insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.

We may elect not to renew such coverage for any reason, except that we will not refuse to renew such coverage solely because:

- a. The first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this Policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;

- (2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or

- (3) We have:

- (a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or
- (b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policies; and

the Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.

- b. The first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority that included an earthquake policy premium surcharge.
- c. Corrosive soil conditions exist on the premises.

If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not nonrenew this Policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, we may nonrenew:

- a. If willful or grossly negligent acts or omissions by the named insured, or his or her representatives, are discovered that materially increase any of the risks insured against;
 - b. If losses unrelated to the postdisaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or
 - c. If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.
 3. We are not required to send notice of nonrenewal in the following situations:
 - a. If the transfer or renewal of a policy, without any changes in terms, conditions or rates, is between us and a member of our insurance group.
 - b. If the Policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph 1.
 - c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the Policy, to obtain that coverage.
 - d. If the Policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.
 - e. If the first Named Insured requests a change in the terms or conditions or risks covered by the Policy within 60 days of the end of the policy period.
 - f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in Paragraph 1., to renew the Policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.
- C. The following changes apply only to Information Security Protection Endorsement **BP 15 07** if it is attached to this Policy:
1. Paragraph (2) of Insuring Agreement d. **Security Breach Liability** is replaced by the following:
 - (2) We will pay for "defense expenses" as a result of a "claim" in the form of a "regulatory proceeding" first made against the insured during the "policy period" or during the applicable Extended Reporting Period, in response to a "wrongful act" or a series of "interrelated wrongful acts" covered under Paragraph d.(1).
