Property and Casualty lines of insurance are considered competitive, and therefore, rates are exempt from prior approval and filing requirements according to W.S. 26-14-102 (b) and W.S. 26-14-107. As such, this information is being filed without review.

However, W.S. 26-14-107 (a) does require every insurer in a competitive market to maintain all rates and supplementary rate information to be used in the State. This information shall be made available to the commissioner upon his request.
