Closed Exempt

**Comments:**

Per South Carolina Regulation 69-64, commercial rates and rules are Exempt and do not need to be filed with the Department. The laws of South Carolina still apply to all commercial rates and rules. The Department recommends that a filing be prepared and maintained by the insurer internally in a file that is referred to as a "Desk File." When conducting examinations, the Department may ask for such a file. Also, from time to time, the Department may survey insurers concerning rate levels.

Regulation 69-64 does not apply to rating organizations which are required to file all rates and rules under the Prior Approval provision.

The attached filing is being closed as Exempt and has not been reviewed. However, it remains the responsibility of the insurer to adhere to all applicable federal and State of South Carolina insurance laws, regulations, and policies.
