Washington CF-2021-OZC1

Based on the USPS ZIP code info through October 2020 there was one deleted zip code. A revised table of earthquake territories is included in this filing.

ZIP Codes can be divided into two types:

- **Boundary ZIP codes:** ZIP codes with residential delivery of mail that have a defined boundary. Most ZIP codes fall into this category.
- **Point ZIP codes:** ZIP codes that are either Post Offices with Post Office (PO) Boxes or unique ZIP codes that contain just one building or organization. Each point ZIP code is enclosed by a boundary ZIP code.
