KEY MESSAGE

Rules filing CA-2022-OAME2 filed and to be implemented in response to correspondence received from the Connecticut Insurance Department.

BACKGROUND

In companion filing CA-2022-OAME1, we introduced endorsement CA 28 05 – Connecticut Abuse Or Molestation Exclusion For Covered Autos Liability Exposure, in place of multistate endorsement CA 28 03 – Abuse Or Molestation Exclusion For Covered Autos Liability Exposure, to remove the paragraph related to negligence found in multistate endorsement CA 28 03.

ISO ACTION

We revised the Connecticut exception to Rule 12. Forms Portfolio Reference, by adding an exception to Paragraph A.24., to reflect that endorsement CA 28 05 is to be used in lieu of endorsement CA 28 03.

Refer to the attached explanatory material for complete details about the filing.

EFFECTIVE DATE

The ISO revision is subject to the following rule of application:

These changes are applicable to all policies effective on or after February 1, 2023.

COMPANY ACTION

If you have authorized us to file on your behalf and decide:

IMPORTANT NOTICE FOR USERS OF ISO PRODUCTS AND SERVICES

Please make sure that your company has authorized your use of this product and has complied with the requirements applicable in the jurisdiction where you plan to use it.

We distribute both state-specific and multistate products and services. We do not distribute all the multistate products and services for use in every jurisdiction due to corporate policy, regulatory preference, or variations or lack of clarity in state laws.

We provide participating insurers with information concerning the jurisdictions for which our products and services are distributed. Even in those jurisdictions, each insurer must determine what filing requirements, if any, apply and whether those requirements have been satisfied.

Now, as in the past, all of our products and services are advisory, and are made available for optional use by participating insurers as a matter of individual choice. Your company must decide for itself which, if any, ISO products or services are needed or useful to its operation and how those selected for use should be applied. We urge that you be guided by the advice of your attorneys on the legal requirements.
