Comments:

This is confirmation of your intentions to delay adoption of ISO approved GL-2023-OFOFR/ ISOF-133557065 until 04/01/2024.

Wyoming is a prior approval filing state and the effective date requested must comply with W.S. 26-15-110(b) which states: "any filing shall be made not less than forty-five (45) days in advance of any delivery." Therefore, if the company chooses to use the ISO forms prior to 04/01/2024, you must submit your filing at least forty-five (45) days in advance.

Every effort has been made to thoroughly review the documents for compliance with applicable state law. However, in the event that any portion of the documents is not in compliance, your company remains responsible for assuring that coverage provided to Wyoming citizens fully complies with all applicable statutes and regulations. For any item that is found subsequently to be non-compliant with applicable law, the company will be responsible for taking any steps necessary to come into compliance, which may include submitting new policy forms.
