With regard to any form that is eligible for file and use under section 631.20 (1), Wis. Stats:

When a Rate Service Organization (RSO) files forms on a company's behalf, it is not necessary to send Wisconsin a separate filing containing those same forms under your company name. Also, Wisconsin does not require that you notify us if you choose not to adopt a specific form that has been filed by the RSO, or if you chose to delay implementation of the form previously filed by the RSO. The Wisconsin requirement is simply that any form you use has been previously filed and accepted by OCI, that the form in use is unchanged from such previously filed form, and that the form in use complies with Wisconsin insurance laws and regulations.

**Schedule Items**

Item Type	Item Name	Item Status	Public Access
Supporting Document	Appraisal or Arbitration Provision	Filing not required	Yes
Supporting Document	Certification of Compliance and Readability	Filing not required	Yes
