Offering UM/UIM in Michigan or Ohio is not a referral to the Program Manager. Program Administrators can offer UM/UIM in these states if the insured requests UM/UIM. There are no selection/rejection forms for OH and MI, because we do not offer UM/UIM to insureds in these states. We provide UM/UIM in OH and MI only when insureds ask us for it. Ohio UM/UIM must be provided on form 90040 (11/05) and Michigan UM/UIM must be provided on form 90041 (11/05). Do not use the ISO OH and MI UM/UIM forms.
