Subject: RE: Bureau Pipeline Report 12/13/2021
Date: Tuesday, December 21, 2021 8:10:43 AM

Good Morning,

Below are additional updates from ISO and the Mississippi Bureau for the listed circulars/bulletins. Please update your records and implement accordingly. Thank you.

- MSRB-Bulletin-21-07 (see MSRB-Bulletin-21-09) – Effective date has been updated from 03/01/2022 to **04/01/2022**
- LI-CF-2021-056 (see LI-CF-2021-070) – Effective date has been updated from 04/01/2022 to **05/01/2022**
- LI-CF-2021-051 (see LI-CF-2021-067) – Effective date has been updated from 02/01/2022 to **04/01/2022**

Subject: Bureau Pipeline Report 12/13/2021

Good Morning,

Attached is the Bureau Pipeline report for December, 2021. Note: We previously reported that **LI-CA-2021-268** and **LI-CF-2021-067** should be adopted with a 02/01/2022 effective date. ISO has made revisions and the effective date of both is now to **04/01/2022**. Please update your records and implement accordingly.

LI-CA-2021-268 (see LI-CA-2021-358)

LI-CF-2021-067 (see LI-CF-2021-051)

Please let me know if you have questions or need additional information. Thank you.
