Relationship & Program Factors								
Profit issues	Rate Need and losses continue to be of significant need for 2016 as our efforts to achieve RAP rate goal in 2015 were not successful. YTD 2015 rate change is 6.4%. However, NJ book has been received.						ificantly.	
2016 Strategy	Discussed need to discontinue program in 2016 after 2 year profit strategy. Willis to work on moving program as soon as possible.
