Comments: This filing has been received but it has not been reviewed. Note that Colorado is file and use regarding this type of filing. If, after the review, any issues are found we will contact you through SERFF. I cannot provide a date as to when this filing will be reviewed. If the effective date(s) shown under the General Information tab is incorrect, please submit a Post-Submission Update to change the effective date(s) as warranted.

We have found that some of the delays in our reviews can be related to the following:

Company Rate Information under the Rate/Rule Schedule tab is incorrect and/or is not fully completed.

Supporting documents are not contained in the filing or do not explain the purpose for the filing and/or changes that are being made.

No indication exhibits, no explanation of the indicated rate change, and/or inconsistency with what is shown in the Company Rate Information under the Rate/Rule Schedule tab.

Forms (A, B, C, D) are incomplete, not fully completed, and/or are not consistent with the information and amounts under the Rate/Rule Schedule tab and/or the Company Rate Information.

We thank you for checking the above.

Sincerely,
Nichole Boggess
