Comments:

Thank you for your response. At this time, we are unable to approve this certificate. When your company intends to issue a Master Policy for a Risk Purchasing Group domiciled in Virginia, then your company may submit this form again for consideration. We must have the name of the Risk Purchasing Group to verify against our internal records with the State Corporation Commission. We must also know what other forms will be utilized with the RPG and the associated rules/rates used with the group.

We do not take RPG certificates based on a future business.
