 1. You represent that artwork and drawings, and software and related material used to generate computer images are to be kept until completion of the negative protection print. Damage to any of these materials and drawings which have already been photographed and for which satisfactory negative film exists shall not result in a loss under the Negative Film, Videotape and Digital Camera Memory Additional Coverage unless the corresponding negative film is also damaged, requiring reproduction of the materials as well as of the film;

In any claim, action, suit or other proceeding to enforce a claim for loss or damage hereunder, the burden of proving that such loss or damage does not fall within this representation shall be solely upon you;
 3. You represent that no duplicate work, prints, or offshoots are intentionally destroyed during the term of this insurance; and
