The most we will pay under this Additional Coverage is the **Tuning and Re-tuning** Limit of Insurance shown in the Schedule.

4. The following coverage is added to Paragraph **5. Coverage Extensions** and supersedes any provision to the contrary in the policy:

a. Business Income and Extra Expense

(1) Coverage

(a) Business Income means:

- i. Net Income (Net Profit or loss before income taxes) that would have been earned or incurred;

- ii. Continuing normal operating expenses incurred, including payroll; and
- iii. "Rental value".

(b) Extra Expense means the necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- i. Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- ii. Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Extension.

(c) We will pay the actual loss of Business Income you sustain and Extra Expenses you incur due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at the premises described in the Declarations. The direct physical loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises includes the area within 1000 feet of such premises.

(d) When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- i. Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- ii. The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

This coverage will apply for a period of up to thirty (30) consecutive days from the date of that action.

(2) Additional Limitations

We will not pay for:

(a) Any loss caused by or resulting from:

- i. Damage or destruction of "finished stock"; or
- ii. The time required to reproduce "finished stock".

This exclusion shall not apply to Extra Expense.

(b) Any increase of loss caused by or resulting from:

- i. Delay in rebuilding, repairing or replacing the property or resuming "operations" due to interference at the location of the rebuilding, repair or replacement by striker or other persons; or
 - ii. Suspension, lapse or cancellation of any license, lease or contract. But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we shall cover such loss that affects your Business Income during the "period of restoration".
- (c) Any Extra Expense caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "period of restoration".
- (d) Any other consequential loss.

If the Business Income (And Extra Expense) Coverage Form is attached to and forms a part of this policy, this Business Income and Extra Expense Coverage Extension will apply in excess of all coverage provided by the Business Income (And Extra Expense) Coverage Form.
