

**COMMERCIAL LINES MANUAL – COMMERCIAL GENERAL LIABILITY  
FUEL, SEPTIC , AND BUS OPERATORS PROGRAM  
CONNECTICUT RULES**

This page is a supplement to the ISO Commercial Lines Manual. In every instance the rules in this page supersede and/or take precedence over ISO rules. ISO pages should be used if not superseded by the contents of these company pages.

**COMMERCIAL GENERAL LIABILITY EXPERIENCE AND SCHEDULE RATING PLAN**

---

**2. ELIGIBILITY**

---

The following replaces **Rule 2.D** and **Rule 2.E**.

**D. Eligibility for Experience Rating**

Any risk that develops premium of at least \$1,500 in basic limits company premium for Premises/Operations and for Products/Completed Operations shall be eligible for the application of the experience rating modification provisions approved by the state.

**E. Eligibility for Schedule Rating**

Any risk that develops premium of at least \$1,500 in basic limits company premium for Premises/Operations and for Products/Completed Operations shall be eligible for the application of the schedule rating modification provisions approved by the state.
